

PROTIFAR

A powdered, unflavoured, high protein supplement.

FEATURES

- 2.2g protein, 9kcal and 34mg of calcium per scoop (2.5g).
- **Neutral taste:** can be mixed into food and drink without significantly altering flavour or texture.

Indications

For the dietary management of:

- Disease-related malnutrition.
- Patients with hypoproteinaemia.
- Patients with high protein requirements.

Important Notice

- Not suitable as a sole source of nutrition.
- Not for parenteral use.
- Not suitable for patients with galactosaemia.
- Not suitable for patients with a cow's milk protein allergy.
- Not suitable for children under 3 years of age.
- Not suitable for patients requiring a protein restriction.

Directions for Use

- Handle aseptically to ensure product remains sterile.
- One level scoop (2.5g powder) provides approximately 2.2g of protein. Use only scoop provided in the packaging to ensure serving consistency.
- Mix the required amount of Protifar with sufficient cold liquid to form a smooth paste before stirring into the food/drink.
- Prepare the food per serving and consume within 2 hours.
- Discard unused prepared portions after 2 hours.
- Usage to be determined by a healthcare professional.

Storage

- Store in a cool, dry place.
- Once opened, use contents within 4 weeks.
- Discard unused contents after 4 weeks.
- Replace lid firmly after use.
- Do not refrigerate.
