

LIQUIGEN

DESCRIPTION

An emulsion consisting of approximately 50% MCT Oil and 50% water.

INDICATIONS

For use in conditions requiring high energy where fat absorption is impaired and where a high MCT intake is indicated. Can be used as part of the MCT ketogenic diet. Can be used to fortify a wide variety of drinks and foods and is also useful as an energy enhancer in tube and sip feeds. Suitable for infants, children and adults.

PREPARATION AND ADMINISTRATION

Can be used straight from the bottle or as a milk substitute and can easily be flavoured, e.g. milkshake syrups. May require dilution for children under five years of age. Shake well before use.

ADMINISTRATION GUIDELINES

The dosage should be determined by a clinician or dietitian only and is dependent on the age, body weight and medical condition of the patient.

GENERAL PRECAUTIONS

Use under medical supervision. Not for parenteral use. Not suitable for use as a sole source of nutrition.

STORAGE

Store in a dry place away from direct sunlight between 4°C – 25°C. Once opened, store in a refrigerator and use within 14 days. Always replace the lid after use.

PACK SIZE

250ml bottle.

INGREDIENTS

Refined Vegetable Oil (Medium Chain Triglycerides (Palm Kernel and/or Coconut Oil), Water, Emulsifiers (E472c, E471), Citric Acid.
